Dear Pastor,

I am thrilled about the upcoming Prayer Summit with your church!

We have prepared an easy-to-use portfolio to help you and your staff get ready for this special weekend. Here you will find everything you need to prepare for and promote the Summit.

Please let me know about any requests or needs that you may have leading up to our time together. My cell phone is (540)797-6251.

Let's believe and pray for "great and mighty things!"

Every blessing!

Your Servant for Revival,

Harold Vaughan
