When prayer goes up, Heaven comes down!

This is not a prayer retreat, it's a prayer advance! We're not backing up, giving up, or slowing down. If you want to move forward with God, the Advance is the place for you.

Prayer brings eternity to bear upon time. **The role of prayer is to advance God's kingdom on earth.** The people who touch heaven are the ones who echo back the desires that God has placed in their hearts.

Fellowship with God is life's greatest adventure. The Prayer Advance is a place where **men and women touch heaven.** This upward reach brings the presence and power of God into the affairs of life. When we touch heaven, God changes things on earth.
