Know → Believe → Convinced

"For the which cause I also suffer these things: nevertheless I am not ashamed: for I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him against that day."

- 2 Timothy 1:12

The Apostle Paul states that in the face of trouble, he could rest. He did not have to be embarrassed or overwhelmed because he knew His God, he trusted in His God, and he was convinced His God would protect and empower him to accomplish what he had been called to do. In our day we need a generation who know their God, trust their God, and are convinced of His power!
